

# EQ-P1414-B

Equipment Platform, 14 ft x 14 ft, base only

## Product Classification

**Product Type**                      Equipment platform system

## General Specifications

**Legs, quantity**                      0

## Dimensions

**Height**                                      203.2 mm   |   8 in

**Width**                                      4,267.2 mm   |   168 in

**Length**                                      4,267.2 mm   |   168 in

## Material Specifications

**Material Type**                      Hot dip galvanized steel

## Mechanical Specifications

**Load Capacity**                      Up to 10,000 lb (4536 kg) loading

## Packaging and Weights

**Included**                                      Frame   |   Grating   |   Hardware

**Packaging quantity**                      1

**Weight, net**                                      1,224.8 kg   |   2,700.219 lb

## Regulatory Compliance/Certifications

Agency	Classification
ISO 9001:2015	Designed, manufactured and/or distributed under this quality management system
