

LIMITED PRODUCT WARRANTY

1. **Definitions.** For purposes of this Warranty, (i) "Buyer" shall mean the individual or entity identified on the applicable purchase order or supply agreement (or, if different, on Seller's quotation, order acknowledgement or confirmation), (ii) "Seller" shall mean the entity identified on Seller's quotation, order acknowledgement, confirmation or supply agreement, and (iii) "Product" shall mean a product manufactured by Seller pursuant to the applicable purchase order, supply agreement, quotation, order acknowledgement or confirmation.

2. **Limited Warranty.** Seller warrants that, as of the date of delivery, Seller has good title to the Product, free from any lawful security interest or other lien or encumbrance unknown to Buyer. In addition, unless a different time period is set forth in **Exhibit A** hereof, for a period of one (1) year from the date of original shipment from Seller's facility, the Product will be free from defects in materials or workmanship arising under proper and normal use. This Warranty shall apply only to the Products and shall not apply to any other goods or materials, parts or components of a system or any system as a whole.

3. **Inspection.** If Buyer claims that any Products are defective in materials or workmanship, Seller shall have the right to either examine the Products where they are located or, in its sole discretion, issue shipping instructions for return of the Products. Buyer shall prepay all transportation charges for such return.

4. **Remedies.** Seller's sole and exclusive obligation and Buyer's exclusive remedy under this Warranty is Seller's repair or replacement of the defective Product or a credit for the purchase price of the defective Product. Seller shall have sole discretion as to which of these remedies Seller will provide. Seller is not liable for any repair or maintenance costs incurred by Buyer, unless Seller authorizes such charges in writing in advance of the commencement of the work. If Seller elects to replace or repair the defective Product, the replaced or repaired Product will be warranted for the remainder of the warranty term applicable to the originally shipped Product, but the warranty shall not be extended beyond its original term.

5. **Notice and Waiver.** If Buyer discovers any defect in materials or workmanship in the Product, Buyer must notify Seller of the claimed defect on or before the tenth (10th) day after the date on which Buyer discovers the claimed defect. FAILURE TO GIVE TIMELY NOTICE OF A CLAIM UNDER THIS WARRANTY SHALL RESULT IN BUYER'S WAIVER OF SUCH CLAIM.

6. **Transfer of Ownership.** Unless Buyer notifies Seller on or before the fifteenth (15th) day after the date on which the original Buyer transfers ownership of the warranted Product, this warranty shall become null and void upon any transfer. Notice of the transfer of ownership must be in writing and shall include the name and address of the new owner.

7. **Exclusions from Warranty.** This warranty shall be subject to normal wear and tear of the Products and shall not apply to any cable markings or defects attributable to:

- (a) improper installation;
- (b) misapplication of parts;
- (c) chain or system failures induced by other products or components;

- (d) lack of proper inspection or maintenance;
- (e) ordinary wear and tear;
- (f) materials, components or products manufactured by a third party;
- (g) power surges, severe weather conditions or acts of nature, including but not limited to lightning or floods;
- (h) usage or operation not in accordance with published ratings, specifications or instructions, including but not limited to environmental specifications identified by Seller;
- (i) any adjustment, modification, alteration or repair not expressly authorized by Seller;
- (j) misuse, abuse or neglect of the Product or of any system of which the warranted Product is a part;
- (k) any type of aesthetic changes due to oxidation or corrosion occurring on stainless steel or galvanized steel parts installed in unusually corrosive marine and industrial atmospheres (in which case Seller's only obligation shall be to ensure that Products comply with Seller's published material specifications); or
- (l) accidental damage.

8. **Limitations on Liability.** THE WARRANTIES SET FORTH IN SECTION 2 HEREOF ARE EXCLUSIVE AND ARE MADE ONLY TO BUYER. SELLER MAKES NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AND SPECIFICALLY DISCLAIMS AND EXCLUDES ANY REPRESENTATION OR WARRANTY OF MERCHANTABILITY, NONINFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE AND ANY REPRESENTATION OR WARRANTY ARISING BY USAGE OF TRADE, COURSE OF DEALING OR COURSE OR PERFORMANCE. No person is authorized to give any additional warranties on Seller's behalf or to assume for Seller any other liability, except in a writing signed by an authorized officer of Seller. SELLER'S TOTAL LIABILITY FOR ANY CLAIM OR DAMAGE ARISING OUT OF OR IN CONNECTION WITH THE MANUFACTURE, SALE, DELIVERY OR USE OF THE PRODUCTS WILL BE LIMITED TO PROVEN DIRECT DAMAGES, NOT TO EXCEED THE PURCHASE PRICE OF SUCH PRODUCTS. IN NO EVENT WILL SELLER BE LIABLE FOR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, ANY CLAIM FOR LOSS OF ACTUAL OR ANTICIPATED REVENUES OR PROFITS. These limitations on liability will apply regardless of the form of action, whether in contract, tort, strict liability or otherwise, and whether damages were foreseeable and will survive failure of any exclusive remedies provided in Section 4 hereof.

9. **Choice of Law.** The terms and conditions contained herein and the rights of the parties to any transaction to which they relate shall be governed by and construed in accordance with the laws of the State of North Carolina, U.S.A. The United Nations Convention on Contracts for the International Sale of Goods shall not apply.
