

Uniprise® Solutions Universal Polishing Kit

FOT-KIT-CON-M-UNIV-100

The Uniprise® Solutions universal polishing kit makes termination of all Uniprise fiber connectors easier and faster to install. This procedure allows contractors, distributors and end-users to only order one polishing kit for multimode connectors and one polishing kit for single-mode connectors.

FOT-KIT-CON-S-UNIV-100

FEATURES & BENEFITS:

- Multimode connectors require only one polishing paper and 2 steps
- Single-mode connectors require only two polishing papers and 3 steps
- Fewer polishing steps and strokes for the new pre-radiused LCR connector
- Reduces the number of papers to purchase and maintain
- Reduces confusion over which paper to use at which step
- Easier logistics for ordering and maintaining stock
- One multimode consumables kit for all three connector styles, (ST, SC, LCR)
- One single-mode consumables kit for all three connector styles, (ST, SC, LCR)
- Quality terminations with excellent performance
- Polishing procedure is included with the kit
- Epoxy kit is required
