

SYSTIMAX 3091B-C and 3091B-B Category 6A U/UTP Cable Available in WE TOTE® box: New Product

EMEA Communications

CommScope is pleased to announce the availability of SYSTIMAX 3091B-C and 3091B-B Category 6A U/UTP cables in WE TOTE® boxes. This addition solidifies our Category 6a cable offering by providing increased flexibility for our customers. These boxes provide ease of storage, handling and transportation as compared to reel packaging.

Please be advised that the reel packaging MIDs will still be available; however, these will incur longer lead times as compared to the box MIDs.

The chart below shows the offering of 3091B-C (Euroclass C) and 3091B-B (Euroclass B) cables:
