

Quick-Fit Patch Panels for ACO: New Product

Europe Communication

CommScope is pleased to announce the release of two new patch panels:

CommScope Quick-Fit patch panels are available as 1U, flush or recessed angled styles. The panels are designed to accept four Copper AMP CO Ultra Quick-Fit cassettes. The panels also include a modular cable management bar in order to manage and bundle cabling.

More details:

- 19" unloaded modular patch panel with support for Quick-Fit Cassettes
- 1RU, Flush and recessed angled variant available

Accepts:

- AMP CO Ultra Quick-Fit Kit cassette (MID = 2153014-1)

Replacement:

- CPP-QF-1U-E will replace 1-1671594-1
- CPPR-QF-1U-E will replace 1-1671590-1
