PICABOND® Connector, 250 loose piece, 400 Vdc, pink

- Lightweight, compact, and economical means of splicing multiconductor telephone cable
- No prestripping or cutting required, can tap without service interruptions, eliminates “turndowns”
- Color-coded to indicate size and type of wire; used for high count straight splicing applications

Product Classification

Brand: PICABOND®
Product Type: Splice
Product Series: PICABOND
Regional Availability: Australia/New Zealand | EMEA | Latin America | North America

Electrical Specifications

Safety Voltage Rating: 400 Vdc

Environmental Specifications

Environmental Space: Outdoor
Operating Temperature: -40 °C to +60 °C (-40 °F to +140 °F)

General Specifications

Connector Color Code: Green/Amber
Connector Sealant: Unfilled
Connector Splicing Type: High Count Straight
Insulation Material: Air Core PIC | Paper or Pulp
Package Quantity: 250
Packaging Type: Loose piece

Mechanical Specifications

Conductor Gauge, solid: 28–24 AWG
Contact Base Material: Phosphor bronze
Contact Plating Material: Tin

Regulatory Compliance/Certifications

Agency: RoHS 2011/65/EU
Classification: Compliant
