

MX6-24SPNL-R

OMX Fiber Splice Block, unloaded, for 24 splice wheels, right sided, putty white

Product Classification

Regional Availability	EMEA Latin America North America
Product Type	Fiber splice block
Product Brand	OMX600®
Product Series	OMX

General Specifications

Functionality	Splicing
Application	Used in OMX-style frames only
Body Style	Right orientation
Cable Exit Location	Side
Color	Putty white
Color, front	Putty white
Growth Configuration	Unloaded
Interface, front	Unloaded
Patching Capacity, maximum	0
Rack Type	OMX
Splicing Capacity, maximum	288

Material Specifications

Finish	Powder coated
Material Type	Steel

Packaging and Weights

Packaging quantity	1
