

1-5502776-2

Fiber Optic Duplex Receptacle with Ceramic Sleeve and Retention Clip, beige color

Product Classification

Regional Availability	Asia Australia/New Zealand EMEA Latin America North America
Portfolio	CommScope®
Product Type	Fiber adapter

General Specifications

Body Style	Duplex
Color	Beige
Interface	SC
Interface Feature	Standard
Mounting	Round flange
Total Ports, quantity	2

Material Specifications

Alignment Sleeve Material	Ceramic
Material Type	Glass filled polybutylene terephthalate (PBT)

Optical Specifications

Fiber Mode	Multimode
-------------------	-----------

Packaging and Weights

Packaging quantity	10
Packaging Type	Bag
