

Committed to supplier diversity

CommScope offers all businesses—including minority, woman and veteran-owned businesses—an opportunity to compete on an equal basis. We are committed to providing equal access to all suppliers and promoting diversity in our supply base. Developing a diverse business community contributes to the overall growth and expansion of our markets.

## Will my company qualify as a diverse supplier?

CommScope looks for the following qualities in diverse suppliers:

- A commitment to our quality standards, delivery schedules and continuous improvement
- Competitive pricing
- Electronic communications capabilities
- Environmental stewardship
- Financial stability
- ISO certification (production-oriented activities only)
- Value-added capabilities

## What type of products and services does CommScope need?

Production opportunities\*

- Compounders
- Die casting and milling
- Hardware
- Machining
- Metal fabrication
- Metal stamping
- Metals
- OEM connectors
- Packaging
- PCBs and PCBA's
- Plastic components
- Polymers

\*These lists change from time to time to reflect CommScope's evolving business needs.

## Non-production opportunities\*

- Building maintenance
- Consulting
- Freight carrier logistics
- Industrial supplies
- Insurance
- Janitorial services
- Legal assistance
- Marketing materials
- Office supplies
- Safety supplies
- Software

## What criteria does CommScope use to designate a supplier as small, minority, woman-owned or disadvantaged?

CommScope uses the Small Business Administration's criteria for designating small, minority, woman-owned or disadvantaged businesses. To learn more, read the United States Code (15 U.S.C. Section 632) and the Code of Federal Regulations (13 C.F.R., parts 121, 124 and 126).

## How can I become a CommScope diverse supplier?

Complete the questionnaire at [www.commscope.com/supplierprofile](http://www.commscope.com/supplierprofile).

All diverse suppliers will be added to our supplier directory for consideration in bidding.

## How can I bid on CommScope projects?

CommScope follows RFP, RFQ and RFI processes to solicit bids.

Everyone communicates. It's the essence of the human experience. *How* we communicate is evolving. Technology is reshaping the way we live, learn and thrive. The epicenter of this transformation is the network—our passion. Our experts are rethinking the purpose, role and usage of networks to help our customers increase bandwidth, expand capacity, enhance efficiency, speed deployment and simplify migration. From remote cell sites to massive sports arenas, from busy airports to state-of-the-art data centers—we provide the essential expertise and vital infrastructure your business needs to succeed. The world's most advanced networks rely on CommScope connectivity.
