

MTC4038AL

8'x12' C6 Equipment Platform with (4) AL Feet

Product Classification

Product Type Equipment platform system

General Specifications

Legs, quantity 4

Dimensions

Height 19.3 in | 490.22 mm

Width 144 in | 3,657.6 mm

Length 96 in | 2,438.4 mm

Material Specifications

Material Type Hot dip galvanized steel

Packaging and Weights

Included Frame | Grating | Hardware | Legs

Packaging quantity 1

Weight, net 628.7 kg | 1,386.045 lb

Regulatory Compliance/Certifications

Agency

ISO 9001:2015

Classification

Designed, manufactured and/or distributed under this quality management system
