

# EQ-P1620-AL

Equipment Platform, 16 ft x 20 ft, base with sixteen adjustable legs

## Product Classification

**Product Type**                      Equipment platform system

## General Specifications

**Legs, quantity**                      16

## Dimensions

**Height**                                  685.8 mm   |   27 in

**Width**                                  6096 mm   |   240 in

**Length**                                 4,876.8 mm   |   192 in

## Material Specifications

**Material Type**                      Hot dip galvanized steel

## Mechanical Specifications

**Load Capacity**                      Up to 10,000 lb (4536 kg) loading

## Packaging and Weights

**Included**                              Frame   |   Grating   |   Hardware   |   Legs

**Packaging quantity**                1

**Weight, net**                           2,324.7 kg   |   5,125.08 lb
