

HCA-ACC

Prodigy Fiber Optic hardened Converters

Featuring an innovative universal design, Prodigy fiber optic connectors and adapters are easy and fast to deploy while offering the performance you've come to expect from CommScope. With Prodigy, installers don't need a patchwork of cable assemblies and components. The Prodigy connector is compatible in applications that require different styles of hardened fiber connectors— simplifying ordering and improving compatibility between network elements.

- Compact and small footprint, space-saving design for highdensity environments
- Compatible with multiple hardened connectors
- Converter kit is preassembled for ease of installation
- The converter portfolio will continue to expand

Product Classification

Regional Availability	Asia Australia/New Zealand EMEA Latin America North America
Portfolio	CommScope®
Product Type	Fiber converter
Product Brand	PRODIGY™
Product Series	HCA

Environmental Specifications

Operating Temperature	-40 °C to +75 °C (-40 °F to +167 °F)
Storage Temperature	-40 °C to +70 °C (-40 °F to +158 °F)
Environmental Space	Outdoor
Qualification Standards	IEC 60793 IEC 60794
