

# COLD-SHRINK-SERIES

Base Product

## Cold Shrink Kits for Coaxial Connections

### Product Classification

Product Type	Cold shrink kit
Product Brand	HELIAX®

### General Specifications

Application	Provides additional moisture seal for cable connections
Color	Black

### Material Specifications

Material Type	EPDM rubber
---------------	-------------

### Environmental Specifications

UV Resistance Test Method	UV condensation reference ASTM-G-53, light source UVA 340 fluorescent lamp
UV Resistance, minimum with no degradation	≥1000 hours
Weather Resistance Test Method	04AS00-03.6.0   MIL-STD-1344A, Method 1002
